# Membership: HEAT Enrollment period is Sept 1 through Aug 31

The Hospitality Educators Association of Texas was founded in 1996 and serves to further professionalism for secondary educators teaching hospitality programs. Members expand their knowledge of hospitality, hotel and restaurant management, culinary arts, travel and tourism industries through networking, area and state meetings, professional development conferences and access to cutting edge resources.

**Professional Development**
**Information Resources**
**Recognition**
**Support from Texas Restaurant Association**
**Support from Texas Hotel & Lodging Association**
**Connections**

**Conference**: HEAT hosts an annual development conference, focusing on the latest trends in the hospitality industry, educational sessions, open forums for sharing curriculum, programs and recruiting ideas. The conference offers networking for educators and industry professionals, interaction with college and university representatives and CPEs.

**Information**: HEAT keeps you informed of the most current data for hospitality education with newsletters, email, online and with local area and state meetings.

**Connections**: HEAT offers connections between industry and education including student recruiting assistance, local meetings and articulation facilitation with post-secondary institutions.

**Recognition**: HEAT acknowledges outstanding educators and industry partners. HEAT also recognizes student achievement with scholarship awards.
